Monday, Jan. 25: Online Opening Ceremony in the 1st period, then Japanese language placement test.

In the 3rd period SGU support students and staff members will have a virtual tour on campus.

Tuesday, Jan. 26: We will have an online welcome party via Zoom. Bring your own snacks and drink and have fun in your own room. Let's introduce each other on the screen.

Wednesday, Jan. 27: We will show you attractive sightseeing spots in Hokkaido through photos or movies; winter Otaru, Niseko, Lake Toya and so on. You will get to see pictures from past Japanese Programs.

Thursday, Jan. 28: Communication time with SGU students. Introduce each other, ask questions and talk a lot. We will play games if possible.

Monday, Feb. 1: Another introduction of Hokkaido—this time of other three seasons. Hakodate and Furano in summer and also beauty of spring and autumn.

Tuesday, Feb. 2: 2nd online communication time with SGU students. Let's get to know each other more. You can teach/learn Japanese and Korean or Chinese, and talk about latest situations.

Thursday, Feb. 4: Sapporo Snow Festival starts from this day. It will be a bit smaller than usual because of COVID-19 pandemic, still this is one of the very famous festivals in not only in Hokkaido but all over Japan. It's a little difficult to give you a live coverage from the site, so we will show you photos and movies taken some days before.

Friday, Feb. 5: The last day. One hour of Japanese class and casual online Certification. We will send you the certificate later via e-mail.
